From the President's Desk

Dear Readers,

We are pleased to bring to you the eleventh issue of our bi-annual newsletter, "The Violet Flame Voice." During the last six months much has happened for which we are grateful to God. It has led to the opening of many new doors of opportunities for the expansion of light of illumination for all.

To that end, we would like to share some key highlights:

- For the first time, we were invited as featured speakers for an all-day workshop on March 3 at the Life Positive International Spiritual Festival, at Zorba the Buddha retreat in New Delhi to share the teachings of the Ascended Masters.
- On March 10, we conducted another full-day workshop, "Secrets of Attracting Money and Cosmic Abundance" at the India Habitat Center in Delhi. It was attended by a record number.
- Our annual New Year community event to meet and greet our membership at the ashram was also attended by a record number this year.
- We celebrated 80th birthday of Mrs. Elizabeth Clare Prophet on April 7 at the ashram with many members of the community.
- We have launched our own YouTube channel, **Chananda org**, for sharing the teachings of the Ascended Masters in Hindi.
- The Chananda's Children School in the Park Charity Initiative to educate the children is growing and is now in its third year.
- Our study group in the Pink City (Jaipur) is growing. This initiative has now completed its second year.
- The Hindi version of the popular pocketbook, "Violet Flame to Heal Mind, Body and Soul" has been published by the Blue Rose Publishers in New Delhi.
- The pocketbook, "You Are Kalki—Avatar to the Rescue" in English is with the Blue Rose Publishers and is getting ready to be in the hands of the readers soon.
- We have recorded two more songs in Hindi from the Summit Lighthouse Song Book using Indian musical instruments and more are on the way.

We thank our members for your encouraging participation and active support which is helping the teachings of the Ascended Masters become household words in India -- slowly but surely--by the grace of God!

Wishing you and yours a happy summer!

Sincerely,

Jaspal S. Soni

New Exciting Opportunities Are Here!

For the first time, Chananda Cultural Society was invited as featured speakers at the Life Positive International Spiritual Festival, on March 3rd held at Zorba the Buddha retreat in New Delhi to offer a full-day presentation. The topic was "How to Work with Angels, Devas and Deities in the 21st Century." The response received was very encouraging as many seekers who came from far and near attended the workshop.

On the following Sunday, March 10, we hosted another full-day workshop, "Secrets of Attracting Money and Cosmic Abundance" at the India Habitat Center in Delhi. This topic is very popular in India. The bookstall gathering and sales at both workshop venues were very encouraging.

Another first-of-its-kind workshop was held at the Noida Community Center. Noida is a suburban township of Delhi located in the adjoining State of Uttar Pradesh. The event was held on March 27 from 5:00 to 6:30 pm. It was a God-Victorious event attended mostly by the local senior citizens.

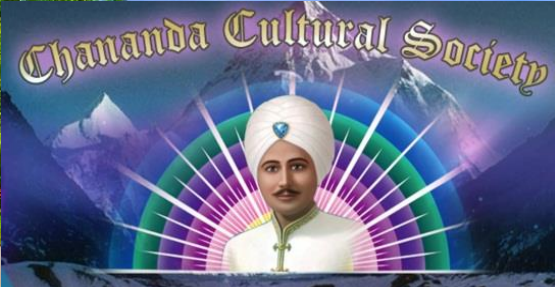

On April 13, we visited the Jaipur study group, a city located about 5 hours away by train. We have been visiting Jaipur twice a year to nurture a small group of devotees there for the past two years. By God's grace, the group has become stronger. They testified to the effectiveness of doing decrees on their own on a regular basis.

Welcoming 2019 at the Ashram

This year, we celebrated 2019 with the members of our community on Saturday, December 29 from 2:00 pm to 4:00 pm. As always, we set up guest chairs on our big third-floor balcony. Over 40 people came including long-time members, some with their families and friends, and even new seekers.

The theme of the brief presentation was 'What is Your Unique Spiritual Proposition (USP) in 2019?' The masters have given the answer to this question in the Individualized Chart of the I AM Presence as well in the diverse body of the teachings. The same answer is also written in the ancient Hindu Upanishads as one of the five Mahavakyas (Great Sayings) "Ahm Brahmasmi" or I AM Brahman. We prayed to the Individualized God Presence in us to help in aligning with our Divine Selves so we can manifest our USP in 2019.

Chananda's Children School in the Park

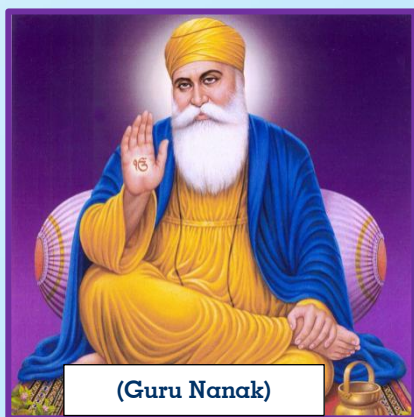

The Chananda's Children School-in-the-Park Program in Kalkaji, New Delhi has been growing steadily over the past four years. There are now 10-12 children who attend the late-afternoon classes at the park given by a school teacher and an athletic trainer who also comes to the park in the mornings. Both are paid by Chananda Cultural Society.

Some of the older students and their parents asked if the children could now be sent to a public school nearby. This is a significant development because the positive changes that are taking place in the children are being noticed not only by the children themselves but also by their peers, parents and people who stroll in the park. The Chananda Cultural Society is looking into logistics of sponsoring some of these children who are ready to join the schools.

His name (I AM Presence) carry no fear, nor hatred.

His image (I AM Presence) is eternal in all.

He is beyond the cycles of birth and death (free of negativity) by Guru's (Higher-Self or Atman) grace.

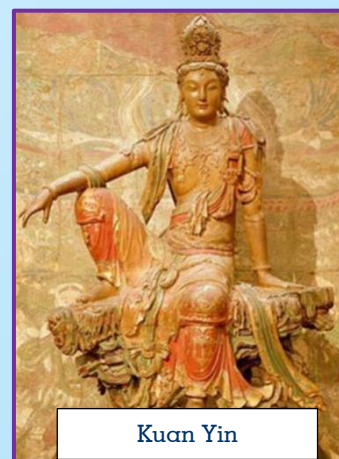

Padma Sambhava

The Law of your Own Mighty I AM Presence

"Do not fear before the Law of your own Mighty I AM Presence. For the Law that is able to defend thee from all harm must likewise, then, be all-powerful and omniscient, all-knowing and in the presence of the joy of perfect love!" (Padma Sambhava, Pearls of Wisdom®, Vol. 25, No. 20, May 16, 1982).

Call Upon the Law of Forgiveness

"If you would be forgiven, beloved, [you must] first recognize that it is you who have transgressed against God. Call upon the law of forgiveness. See yourself drenched in a holy unguent of purple fire, in a balm of violet ray. See yourself receiving that mercy in proportion as you give it, for it is the Law [that you will reap mercy only as you sow mercy]." (Kuan Yin, Pearls of Wisdom®, Vol. 34, No. 58, November 17, 1991).
